WORKSHOP DESCRIPTION

Budgeting: Making a Money Plan That Works

This course gives tips and advice for designing a balanced budget and offers the opportunity to participate in budgeting exercises. Attendees are given the tools to create their own personalized budget, including recommended spending figures.

Savings: Making Your Money Work for You

As an introduction to savings, this course teaches the importance of: setting up a savings goal, starting a savings plan and budget, and becoming knowledgeable about the different types of savings accounts and programs, including accounts with interest.

Banking Basics

Attendees are introduced to banking by learning how to set up and use a bank account, read statements, and balance a checking account.

Loans: When to Save, When to Borrow, When to Buy

This course is designed to be an introduction to the different types of loans (vehicle, education, mortgage, consumer, etc.) Attendees will learn to search for reputable loans, as well as understand the steps needed to apply for loans.

Identity Theft

Attendees learn the methods used to steal identity and find out how to prevent identity theft. The course will also address procedures to take if an individual is victimized.
