Borrower Requirements:

- 1. The borrower and any co-borrowers must be "first time buyers" who have not owned a home within the last 3 years. If a borrower previously jointly owned a home with a former spouse (and are now divorced), s/he must be removed from the prior deed and released from the note and mortgage. The borrower and co-borrowers may not have an ownership interest in any other real estate or business other than a business that is their primary source of income. Non-occupant co-borrowers are not permitted.
2. The borrower and any co-borrowers should complete a HUD Approved Homebuyer Education Course prior to entering into a Sales Agreement. There is a non-refundable \$25.00 tuition fee due at registration for each person expected to complete the course. Completion of the course does not guarantee Homebuyer Loan eligibility or the availability of funds. Applicants who completed training more than 2 years prior to the date of the Sales Agreement must repeat the course.
3. Eligible Fees and Costs. Participants may be charged a reasonable fee for homebuyer education and counseling. Participants must provide their certificate of completion at the end of all required education sessions. The closing must occur within two (2) years of the date of issuance on the certificate of completion.
4. The borrowers most recent permanent address must be within Lancaster County for 6 months (restrictions apply).
5. The borrower and any co-borrowers must occupy the home as their primary residence on a permanent, year-round basis within sixty (60) days of closing.
6. Borrower and any co-borrowers must meet with a qualified Housing Counselor for an individual counseling session prior to settlement. Borrower must contact Tenfold (Lancaster Office) at 717-397-5182 to schedule this meeting.
7. The borrower's required contribution must be verifiable funds on deposit in the borrower's account(s) prior to closing. Borrowers may retain a cash reserve after closing of no more than \$7,500.00 and no less than the equivalent of one month's PITI payment.
8. The projected gross household income, expected to be received over the next 12 months, may not exceed the following limits. Please note that the limits are based on total household members.

Table with 2 columns: Number of members and Income limit. Rows include 1 member (\$73,500), 2 members (\$84,000), 3 members (\$94,500), 4 members (\$105,000), 5 members (\$113,400), 6 members (\$121,800), 7 members (\$130,200), and 8 members (\$138,600).

- 9. Income will be calculated for all "adult household members" including the borrower, any co-borrowers, the spouse of the borrower or any co-borrowers, and any other adults over the age of 18 who are expected to reside in the home. If a borrower is married, but separated, the spouse's income may be excluded if the separation can be clearly documented by a filing for divorce, a legal spousal support order, or other convincing evidence that the borrower has maintained a separate residence for at least one year.
10. To be included as a household member, a minor or full-time student must be a legal dependent of at least one of the adult household members and must reside in the home as their primary residence.
11. Eligibility income will generally be determined based on the gross income received by all household members from all income sources for the eight (8) week period immediately preceding the date of the primary loan application, projected forward for the next 12 months. Tenfold may consider alternative methods of determining eligibility income where it can be clearly demonstrated that the household member's income for this period is not representative of their typical earnings history.
12. A minimum middle credit score of 620 is required. Only on a case-by-case basis, Tenfold may consider at its discretion, applications from borrowers who may have less than a 620-credit score which have strong, compensating factors. If a borrower has less than three opened (traditional) trade lines, Tenfold may require additional satisfactory non-traditional trade line documentation. Contact Tenfold for more specific information.
13. No Credit Score - A minimum of three open trade lines with a satisfactory 12-month payment history is required in

the event that the borrower doesn't have a traditional credit score. Rent payment history, utilities, cell phone, car insurance (if paid in monthly installments), are acceptable examples of these required trade lines.

14. Tenfold will allow a maximum PITI ('FRONT END') debt-to-income ratio of up to 33% of the borrower's monthly gross income and a maximum ('BACK END') total debt-to-income ratio of up to 43% of the borrower's monthly gross income. Debt-to-income ratios are based on Tenfold's Income Calculation Method.
15. **If borrower exceeds the 33/43 ratios, please contact Tenfold immediately before taking a Homebuyer Loan application.** On a case-by-case basis and Tenfold, at its sole discretion, may consider higher debt-to-income ratios if the borrower has at least two of the following compensating factors:
 - Three months reserves of PITI payments from their own funds documented at the time of their loan application.
 - Credit Score of 700 or higher
 - Monthly housing payment savings (PITI vs. RENT) of greater than \$100
 - Stable employment history (i.e., at least 2 years at the same employer)
16. Borrower and co-borrowers must be U.S. citizens, permanent resident aliens or non-permanent resident aliens with a valid Social Security Number and eligible to work in the US meeting the standards of a 5-year clearance date from the day of settlement. Please contact Tenfold for specific requirements.
17. Assistance may be provided for the purchase of foreclosures, provided required repairs can be completed within sixty (60) days of closing and funds sufficient to pay for repairs are escrowed at closing.

General Inspection Requirements:

1. Whole house inspection maybe optional to the borrower. If the borrower opts out of a whole house inspection as part of the AOS, the borrower and buyer's agent will be required to sign off on a "Visual Inspection Form" and the borrower will be required to provide evidence of a two-year home warranty policy. Please contact Tenfold Community Lending for warranty specifics.
